

Student Name: _____

Sharing and Reflection: Who Am I?

Part A: Pick one substance, and explain how it may affect a person's self-concept.

What can a person do if they think the substance is negatively affecting their self-concept?

Part B:

Create a "Who am I" self-collage. Compile text and images representing your hobbies, interests, goals, and important people. Include the following elements in the collage:

- The person I think I am.
- The person others think I am.
- How self-care can help improve my self-concept.
