

Student Name: _____

Sharing and Reflection

Instructions: In pairs, create a fact sheet with your partner. Come up with 10 new facts that you learned from this lesson. This could include:

- New information you learned,
- Something you found interesting
- Important take-away messages

Feel free to look back at your previous worksheets and notes from this lesson to help you come up with your 10 facts. Use the space below to write them out, list them, or draw them—whatever works best for you!
